

9 January 2017

Dear Parent/Carer

It has been brought to our attention that from Sunday 29 January 2017 the number 71 Stagecoach Bus Service from Mosborough will operate an amended route. As a result the service will no longer come down Granville Road. Our understanding is that students would need to alight at City Road and walk approximately 8-10 minutes to school.

For further information you may wish to go to the public transport site indicated below:

Should you wish to raise a concern with Stagecoach they can be contacted at the following address by email:

A number of concerns have been raised by parents to the Bus Company and Stagecoach have offered a response.

Unfortunately there is very little that we can do as a school. However, from Monday 30 January we will ensure that we are sensitive to the change of arrangements as students adjust their travel plans to school.

Yours sincerely

A Weir  
Assistant Headteacher
