## **Clever Creatures**

During assembly last Friday the children pictured received their Freddy the Fox certificates for having a go and making every piece of work better than the last.

### **Music Club - Nursery & Infant Children**

As part of the 'Singing Start' music project which is taking place in Nursery this term we would like to invite parents and siblings along to a 'Music Club' on Tuesday afternoons at 3.15pm-3.40pm in the Infant Hall.

This is just a time to have a sing-a-long with your children and a chance to see what they are doing. Reception, Year 1 and Year 2 parents and children are also very welcome to come along. Starts next Tuesday 31st Jan.

### **Nursery Questionnaire**

We are consulting with local families to see what sort of Nursery provision they are looking for in the future. The Government is extending free childcare for working parents from 15 hours to 30 hours per week in September 2017. If you have children under the age of 4 years old, could you please help us by completing the Nursery Questionnaire sent out with today's Newsletter. Please pass it on to anyone else who may wish their children to attend our Nursery in the future. Completed forms to be returned to the school office.

## Afterschool Cinema Club Raising Funds for St Luke's

Year 6 are having another Cinema Evening on Monday 6th February. Once again the cost is £2 and children will receive a snack box and drink. The film will finish at 4:45p.m. Children from Years 2-6 are invited to come with parental consent and we would be happy for Y1 and reception children to come if they have siblings in higher year groups – this is to try and make pick-ups easier for families. **Slips & Money need returning by next Thursday.**

Sheffield's Hospice

Thanks to all the children who attended Years 6's Cinema Evening. We've had great feedback from everyone who attended so will be holding another one on Monday 6th February.

**On Parents Evening Year 6 pupils will be in the hall with selling refreshments, Birthday and Valentine's cards that they have made along with Brik-a-Brak (donations welcome).**

Year 6 have set themselves a target of raising £1000.00 for St Luke's Hospice. There is a target on the wall outside their classroom to keep track of how they are doing. Currently over £200.00 has been raised.

### Our Inspiring Past Pupils

We are keen to hear from past pupils of St Theresa's who would like to share their experiences of further education and the world of work with our current pupils. We are trying to inspire our pupils and help them to realise that there is a vast range of careers and opportunities available to them. We want to show that St Theresa's pupils can achieve a fulfilling and satisfying job so they too can aspire to succeed.

The aim is to create a 'St Theresa's Pupils Achievement Display' with photographs and past pupil's stories about their jobs and how they achieved this either by further education or training. We are not just taking about doctors and lawyers but you may have a trade, be in a band, act or have your own business.

I'm sure many of our parents are past pupils or know past pupils and can be part of this. Please email school or pop in and see Mrs Windle letting us know what you have done since leaving school.
