What a busy last few weeks we have in school. Arts Week this week should be very enjoyable and we are looking forward to the amazing things that the children produce. We had a lovely assembly this morning which focused on making people feel welcome, and the children engaged really well with this, even taking part in some meditation.

Another busy week is ahead with the whole school receiving CPR training on Friday and also the Nursery Sports Day. There really is no let up.

I hope also that you have chance to read and digest your child's yearly report. All the children have worked so hard and I am proud of every single one of them.

## News and Updates

### Thought For The Day

“Success is not just the crowning moment, the spiking of the ball in the end zone or the raising of the flag on the summit. It is the whole process of reaching for a goal and, sometimes, it begins with failure.”

Erik Weihenmayer

### Radical Run - Graves Park on 8 July 2017

Radical Run is a 3km run interspersed with obstacles for children aged between 5 and 14. Born out of a love of running and a desire to get children off the sofa and away from screens, Radical Run hopes to encourage children to want to get fit in a fun yet challenging way. For more information about the event and all the Radical Runs that are taking place this year at family friendly venues (including our recent Leeds and Manchester events), please visit their website

## ST THOMAS OF CANTERBURY SCHOOL A CATHOLIC VOLUNTARY ACADEMY

# Pre-School

Places available in 2017 for 3 and 4 year olds

Children benefit from access to an extensive outdoor learning environment which is zoned to reflect the areas of learning within the early years curriculum.

St Thomas of Canterbury pre-school is for 3 and 4 year old children. This newly established and purposeful environment provides a stepping stone into developing key skills that will make children confident learners in preparation for starting school. We value the importance of learning being exciting, new and innovative, creating opportunities for children that will inspire them to be lifelong learners.

Phonics and number are taught through adult led sessions. By the end of pre-school we hope children will be secure in their knowledge of numbers to 5 and their initial sounds.

For information about session times, application forms and our nursery admissions policy, please visit the school website at [www.st-tc.co.uk/our-nursery](http://www.st-tc.co.uk/our-nursery)

Outdoor space with a growing garden, extensive woodland, a mud kitchen, a slide from the classroom into a giant sandpit and climbing equipment, a play house and even chickens.
