## ST THOMAS OF CANTERBURY SCHOOL A CATHOLIC VOLUNTARY ACADEMY

# Pre-School

Places available in 2017 for 3 and 4 year olds

Children benefit from access to an extensive outdoor learning environment which is zoned to reflect the areas of learning within the early years curriculum.

St Thomas of Canterbury pre-school is for 3 and 4 year old children. This newly established and purposeful environment provides a stepping stone into developing key skills that will make children confident learners in preparation for starting school. We value the importance of learning being exciting, new and innovative, creating opportunities for children that will inspire them to be lifelong learners.

Phonics and number are taught through adult led sessions. By the end of pre-school we hope children will be secure in their knowledge of numbers to 5 and their initial sounds.

For information about session times, application forms and our nursery admissions policy, please visit the school website at [www.st-tc.co.uk/our-nursery](http://www.st-tc.co.uk/our-nursery)

Outdoor space with a growing garden, extensive woodland, a mud kitchen, a slide from the classroom into a giant sandpit and climbing equipment, a play house and even chickens.
